

IFMA's World Workplace

Conference & Exhibition

April 7 - 9, 2020 // Singapore

Recognized as the preeminent platform for dialog in facility management in the Asia Pacific region, World Workplace Asia Singapore 2020 offers a fitting opportunity for companies and stakeholders to present their products and services directly to key decision makers of the FM and Real Estate industry.

World Workplace Asia Singapore 2020 will feature a well-rounded programme focused on Future Ready FM. Attendees will benefit greatly from a diverse exposition of facility-related products and services, networking opportunities and on-site facility tours geared towards enhancing attendee's knowledge of the built environment.
